I have known Shailesh Kadakia since 2013, when he interviewed for a position as a math instructor at Mathnasium. He was hired on September 9, 2013, and continues to be a part of our instructional team.

Shailesh is very good at mathematics. He is friendly and respectful to team-mates and students. He is eager to volunteer for presentations and extra duties, and has a high degree of availability in his schedule. Shailesh is rarely absent, and always has a neat & professional appearance.

A handwritten signature in black ink that reads "Paul Walker". The signature is written in a cursive style with a fluid, connected script.
