Shailesh (Sky) Kadakia;

We have known Physics Instructor Shailesh Kadakia for past one year. I had the privilege to be mentored by Shailesh Kadakia. During tutoring sessions, I found that Mr. Kadakia is highly knowledgeable in various areas including Mathematics, Physics, and Sciences. He tutored me in Physics, which helped me understand the material much better. During tutoring, concepts, theories and practices, in Physics were elaborated and explained for better understanding. I was able to do Physics problems and assignments with much ease after Mr. Kadakia's mentoring. I would highly recommend Mr. Kadakia, as he has helped me greatly and can aid many more students.

Kind Regards;

Robin Navarro
